

NOON PRAYER

for America and Donald Trump

Please set an alarm on your phone to join us as we pray this scriptural prayer each day at noon. No matter what time zone you live in, and no matter where in the world you live, this prayer will be going up to Heaven as you join with thousands of others to corporately pray for America and Donald Trump to stop injustice and see America healed.

NOTE: This is one of several prayers available. If you are willing to join us in praying for other specific areas for our nation and Donald Trump—where we desperately need God’s intervention—read to the end.

Father, we come before you united together in prayer on behalf of America and Donald Trump. You said that where two or three are gathered together in Your name that You will be in our midst. We invite Your Presence and power as we pray that You would hear our cry for justice and truth to be restored to this land You love.

We lift up Donald Trump and his family. Where there have been ongoing accusations, lawsuits and injustice thrown at him, we pray for America’s justice system to be restored. We declare unrighteous judges to be removed and held accountable for refusing to follow the law or creating their own. Where they have worked to silence him and his legal team, we pray that it would come back on them. May they be the ones silenced and removed from their positions as they have tried to remove him. We ask that You would raise up judges, as in the days of old, who will deliver righteous decrees. Deliver Donald Trump from the hands of those intent on plundering his businesses and wealth with unjust indictments. We declare no weapon formed against him shall prosper and every tongue that rises against him in judgment will be shown to be in the wrong and stopped. That You will vindicate him.

In You, O LORD, we take refuge; let us never be put to shame. We ask that You would save Donald Trump and America by Your righteousness. Incline Your ear to our cry for help; come quickly to his and our rescue. Be his rock of refuge, the stronghold of his deliverance from their determination to find him guilty and prevent him from running for office. They are coming at him (and us) at every side. We don’t know what to do, but our eyes are on You.

We hear their slander and there is terror on every side. They conspire against him and plot to take his life. We pray for supernatural protection over him and his family. We pray they would put their trust in You as we do, O LORD; and say, “You are my God.” Our times are in Your hands; deliver us from our enemies and from those who pursue him. Make Your face shine upon him; save him from their evil plans by Your loving kindness.

Where judges have overstepped their authority in their effort to bankrupt him, to override what professional appraisers and banks have declared the value of his properties, we declare their efforts null and void. Where they have worked to diminish his wealth, we pray supernatural blessing over it and that You would restore seven-fold what has been stolen. We declare Your protection over the paths of justice that You would guard the way of those who are loyal to You.

We bind every harassing, deceptive spirit that is operating against Donald Trump and our nation. We pray that the trap they have laid they will fall into themselves. Let the light overtake and expose what they have done in the the dark.

Lord we ask that You would not remain silent regarding this issue. For the wicked and the deceitful have opened their mouths against Donald Trump, and against those who have stood with him for truth. Many have worked relentlessly to destroy this nation that You love. Contend with those who contend with us and fight against those who fight against us. Come to our aid and deliver us from evil.

Honest scales and balances belong to You LORD for all the weights in the bag are of Your making. And so we declare that honesty and fairness will be restored to America's justice system and with it the removal of corrupt leaders, officials, law-enforcement, judges and lawyers who have worked to pervert justice and who have declared evil good and good evil.

Our nation was founded on godly principles and we declare it will be restored to those principles and the Constitution on which it was established. John Adams stated "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." That explains why they hate it. So hear our cry this day, O Lord, as we humble ourselves before You and ask You to heal our land. We repent for the degradation that has taken place on our watch and ask that You turn America back to a moral people whose hearts fear and honor You. Who will once again see the blessing and miracle of America and our Constitution. We pray a hedge of protection around it that despite their best efforts that they will be the ones overthrown in their attempt to overthrow it.
