SQ 832 IS A WHOLE LOT MORE THAN $15 AN HOUR

FACT: SQ 832 permanently ties Oklahoma's minimum wage to the cost of living in San Francisco

- SQ 832 raises Oklahoma's minimum wage to $15 an hour, but it doesn't stop there...
- SQ 832 continues raising Oklahoma's minimum wage each year, based on federal cost-of-living metrics dictated by liberal politicians in California

FACT: SQ 832 will crush Oklahoma small businesses

- SQ 832 could hike Oklahoma's minimum wage to $30 an hour in as few as 15 years
- California's experience indicates many Oklahoma small businesses won't survive SQ 832's aftermath

FACT: SQ 832 will destroy jobs across Oklahoma, hurting the people it claims to help

- In California, minimum wage hikes helped push nearly 2 million people out of work, replaced by big corporations with automation and illegal labor
- If SQ 832 passes, many vulnerable Oklahomans will see their jobs eliminated

DON'T CALIFORNIA MY OKLAHOMA!
ON JUNE 16, 2026, VOTE NO ON SQ 832

He was born in Missouri, received Bachelor's degree from Univ. of Missouri, Juris Doctorate from TU Formerly served as Chief of Criminal Prosecution and has served as County DA since 2015 & he supervises 50 prosecutors in the DA's Office. With about 30 years of prosecution experience, he stated that "prosecutor's job was to teach people the morals they either never learned or somehow forgot. **Steve was involved in some controversy regarding the Oklahoma Survivor's Act for creating a wavier that would cause abuse victims to waive away their rights under the new law, with domestic violence groups accusing him of "forcing victims charged with crimes to give up their rights if they want plea agreements."** (Wikipedia). Steve disagrees with this claim, has consistently stated that he supports the Oklahoma Survivors Act (OSA) as finally written and signed by the governor. With the change in the law under OSA, it requires the attorneys representing their clients and the judges doing the sentencing to make absolutely sure the defendant is under the correct range of punishment. A form, approved by the District Courts in Tulsa County, if a defendant is eligible for a reduced range of punishment under OSA. The form does not take away the rights of any person eligible under the OSA. He has stated his support for alternative courts and probation instead of prison sentences where appropriate, particularly for non-violent crimes. He established NO tolerance protocol for drunk drivers, who injure of kill others in Tulsa County, **but signed off on a plea deal for a reduced sentence for a drunk driver with a history of reckless driving charges who killed his own daughter (Shelby Binney).** Steve implemented a policy of mandatory prison time for felons using firearms. Lt. Governor candidate Justin Humphrey has filed a lawsuit which alleges multiple open records violations against Kunzweiler. Steve has campaigned on being a Trump law and order candidate and he has voted for President Trump three times. Steve had a motion filed against him to be removed from murder (in self defense) case with claims of bias and misconduct.
